

Scottish Council of Taekwondo's Equality and Diversity Statement.

The Scottish Council of Taekwondo is committed to supporting everyone who is part of our membership and paid or volunteer workforce and to promote social justice through our work.

Our commitment to equality is therefore fundamental to who we are.

We strive to ensure that people can participate in all of our activities, to the full extent of their own ambitions and abilities and we will always respect everyone's rights and dignity.

When we say 'everyone' we mean all people without regard to their age, sex, gender identity, disability, marital or civil partnership status, pregnancy or maternity, religion, race, ethnic origin, socioeconomic status or sexual orientation.

We warmly welcome - whether as staff, volunteers, coaches or members - to participate in taekwondo and we will actively seek to promote diversity at every level of the organisation.

We are working towards the 'Foundation Level of the Equality Standard for Sport as a first step towards formalising these commitments.
